ENGINEERING DEPARTMENT

OFFICE OF THE ENGINEER OFFICER,
BANGALORE CITY IMPROVEMENT
TRUST BOARD, BANGALORE.

Notification dated 6th November 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Engineer Officer, City Improvement Trust Board, Bangalore, up to 3 P.M. on 27th November 1944, for constructing storm water drain in Kumara Park Extension from Kumara Park Road to culvert in M. & S. M. Railway Line, Bangalore City.

1. An approximate estimate of quantities may be seen in the Office, during office hours on any working day.

2. The work to be completed by the end of January 1945.

3. Tenders in the prescribed form obtainable on payment of annas four per form from the Office of the Engineer, City Improvement Trust Board, Bangalore, should be addressed to the Engineer Officer, City Improvement Trust Board, Bangalore, in a sealed cover and superscribed as "Constructing Storm Water Drain in Kumara Park Extension," Bangalore City. The name of the tenderer should also be superscribed on the top of the cover.

4. Tender should be quoted on percentage basis on the total estimated cost instead of quoting rates for individual items.

5. Each tender must be accompanied by a duplicate chellan for having credited into the Treasury the deposit amount of Rs. 972 under "17 (a) P.W. Deposits" or Mysore Government Bonds duly endorsed at value or market value whichever is less as earnest money to the name of the Comptroller in Mysore, Bangalore.

Y. RAMASWAMY,
Engineer Officer.

398

BUREAU OF SANITARY ENGINEERING,
BANGALORE.

Notification, dated 7th November 1944.

Sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on 25th November 1944, for constructing II stage Drains in Bhadravati Old Town at an estimated cost of Rs. 6,890.

2. The work is to be completed by March 1945 and the monthly progress should not be less than Rs. 2,000.

3. The tenders in the prescribed form obtainable on payment of annas four per form from the Office of the Sanitary Engineer, Bangalore, should be addressed to the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, in a sealed cover and superscribed as "Tender for constructing II stage Drains in Bhadravati Old Town." The name of the tenderer should also be superscribed on the top of the cover.

4. Tenders to be quoted on percentage basis, instead of quoting rates for individual items.

5. Items not provided in the estimate will be calculated as per schedule rates or as per data worked out during the execution of the work, subject to the

same deduction of percentage as is agreed to by the contractor in his tender.

6. Each tender must be accompanied by a duplicate chellan for having credited into the Treasury the deposit amount of Rs. 345 under "17 (a) P. W. Deposits" or Mysore Government Bonds duly endorsed at face value or market value whichever is less as earnest money.

7. The stipulated progress must be shown from the very commencement, failing which the contractor is liable to be fined, forfeit his earnest money, and finally have his contract cancelled without further notice.

3127

Notification dated 9th November 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on the 30th November 1944, for erecting an R. C.C. Circular Tank of 5,000 gallons capacity on 30 feet R.C.C. staging (as per approved design) for improving water supply to Bandipur Circuit House. The work should be completed before the end of March 1945. The tender should be accompanied by detailed drawings of the tank with details of design and calculation sheet. The specification of the tank noted separately should be strictly adhered to.

2. Tenders should be submitted in printed forms. They should be accompanied by a statement showing the rates at which the different items will be executed and these rates will be binding till the completion of the work as per agreement. The printed forms can be obtained from the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, on payment of four annas each.

3. Each tender should be accompanied by a deposit of Rs. 125 in cash (no cheques will be accepted) as earnest money and be superscribed "Tender for Construction of R. C. C. Water Supply Tank of 5,000 gallons capacity on 30 feet staging for improving water supply to Bandipur Circuit House" in default of which the tenders will be rejected. No reference to possible dues from the Department in lieu of cash will be accepted.

4. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will be entertained.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. Charges on account of scaffolding materials, implements for setting out barricading, clearing site, supply of water for construction purposes, etc., that may be found necessary during execution will not be paid for separately and should be borne by the contractor and included in the rates for items of tender.

9. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

10. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

11. The required quantity of cement and steel will be supplied departmentally and cost recovered in the contractor's bills together with 10% centage.

The contractors shall arrange their own supply of all other materials required for the work.

12. The architectural design that will be included in the cost may be furnished in the drawing which should be accompanied by calculation for the details of shell, pillars, etc.

The following specifications of the tank should be strictly adhered to and the tender should include the cost of providing for the same :—

1. The tank which has to be of Intze type should be provided with an R. C. C. cover so as not to allow dust and rain water to get inside.

2. The tank should be neatly furnished outside with extra cement mortar 1:4 plastering $\frac{1}{2}$ " thick and inside with cement mortar 1:2 rendering $\frac{1}{4}$ " thick with water proof compounds. The walls and bottom of the tank should be of 1:1 $\frac{1}{2}$:3 cement concrete and the rest in 1:2:4 cement concrete.

3. The tank should be provided with a manhole 2'x2' with iron frame M. S. door with hinges and locking arrangement.

4. An iron ladder to reach the manhole from the ground and another ladder to get inside the tank should be provided. Both the ladders should be slightly inclined to the vertical and provided with hand railing on both sides.

5. A ventilator with finial, the design of which should be got approved, has to be provided on the top cover.

6. The tank should be provided with a water level indicator with float and gauge on one side of the tank so as to be able to read the depth of water in the tank from outside, the design of which should be got approved.

7. C. I. pipes and specials of the flanged type for inlet, outlet, overlow scour connections, etc., should be fixed in R. C. C. portion of the tank with water-tight joints.

8. Any extra provision for spreading the footings to limit the bearing loads on the soil foundations available will not be paid for extra but will be taken to be included in the quotation.

9. The standard specifications for the materials such as jelly, sand, steel and cement should be adhered to for obtaining the best quality of water proof R. C. C. work and all such materials to be used by the contractor should conform strictly to specifications.

10. The tank after completion will be tested for water tightness and strength by filling it with water to the full storage level and the contractors shall rectify any defects noticed before final claims are prepared.

3194 K. S. VENKATARAMANAN,
Sanitary Engineer.

BUILDINGS DIVISION, BANGALORE.

The work must be completed by the end of June 1945 and the monthly progress should not be less than Rs. 1,000 (Rupees one thousand only).

Intending contractors wishing to tender should obtain details as to the terms of the tender, etc., by attending in person at the Office of the Executive Engineer, Chitaldrug Division, Chitaldrug, and copies of contract schedule and estimate may be seen at any time on all working days between 12 NOON and 6 P.M. and copies of abstract forms may be obtained on payment of Re. 0-4-0 per form.

3361

Notification dated 14th November 1944.

Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, Chitaldrug, up to 3 P.M. on 9th December 1944, for the proposed construction of five rooms to the Urdu Primary Girl's School at Davangere. Estimated cost is Rs. 6,500.

Each tender must be accompanied by a Treasury Chellan for Rs. 3.5 (Rupees three hundred and twenty-five only) credited to the treasury under "17(a) P.W. Deposits" in cash or Government promissory notes or Mysore Government bonds, duly endorsed as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract.

The work must be completed by the end of June 1945 and monthly progress should not be less than Rs. 1,500 (Rupees one thousand and five hundred only).

Intending contractors wishing to tender should obtain details as to the terms of the tender, etc., by attending in person at the Office of the Executive Engineer, Chitaldrug Division, Chitaldrug and copies of abstract schedules and estimate may be seen at any time on all working days between 12 NOON to 6 P.M. and copies of abstract forms may be obtained on a payment of four annas only (Re. 0-4-0) per form.
